► **More Jobs, Less Downtime**

300-hour service intervals. No blown seals, pumps stay protected. Keep your revenue rolling and your backlog shrinking.

► **Winter Doesn't Slow  
You Down**

Integrated antifreeze system lets you say yes to jobs all year, not just in warm weather.

# BUILT TO OUTLAST. READY WHEN YOU ARE.

## Harben ES-12 Trailer Jetter

Compact yet powerful. Built for plumbers who demand reliability and efficiency.

### ► Purpose-Built for Sewer & Drain

Engineered specifically for hard, dirty jobs — no generic pumps or afterthought design. Harben's radial piston diaphragm pump keeps you moving even when dry, powering through stubborn blockages year after year.

### ► No-Excuse Reliability

Still running strong after decades in the field. You get unwavering pressure (Up to 3,000PSI/12GPM) with fewer breakdowns thanks to our best-in-class, Run-Dry pump and cold-ready antifreeze system. Your ES-12 is always ready, regardless of weather.

### ► Made For the Long Haul

Built right here in the USA, covered by a tough-as-nails warranty, and supported by a team that answers the phone when you call.

*"It's unstoppable! We've had our Harben jetter for 22 years, and it's unstoppable. The staff have offered great support every time."*

— Matthew Zurn, Zurn Plumbing
